grasshopper

BY SHERWIN-WILLIAMS

“Since this is a second home, a lake house, my client wanted to be gutsy and go for major color. I’ve been doing my job for 15 years and even I was nervous, but I’m so glad we did it. Looking at this kelly green, you can almost smell fresh-cut summer grass.”

—Rebecca Van’t Hull, Martha O’Hara Interiors, Minneapolis, MN

bright mango

BY DUNN-EDWARDS

“For a unique, sleek effect, I installed painted glass as the backsplash in this contemporary kitchen. The orange peel shade brings tons of energy, yet it’s concentrated enough to still feel sophisticated.”

—Aileen Salva Brown, Paragon Kitchens, Guelph, Ontario
