THE BLUES

p.46

satiny smooth

Used solo or in rich layers, these silky, ribbon-inspired blues bring life to any room.

WINDSWEPT

5749 This fresh, chalky blue is at its best paired with crisp white trim in a hallway or living space. *Dunn-Edwards*

CARIBBEAN BLUE WATER 2055-30

Dip a toe into saturated color with this hue on an accent wall. Balance its boldness with pale grays on surrounding walls. *Benjamin Moore*

IDYLLIC ISLE

254-4 Create the feel of a seaside retreat in your bath or powder room by dousing the walls in this midtone. *PPG Pittsburgh Paints*

SCUBA BLUE

16-4725 Bring energy to a space with this jewellike turquoise. Try a bit on the inside of a bookcase, or go all-out on the walls of a living or dining room. *Pantone*

STONE BLUE

No. 86 Opt for high gloss in this rich blue. It oozes sophistication in an office or study. *Farrow & Ball*
